Circuit Wiring Diagrams

| MODEL                     | KP1 - □ - 01                                | KP1 - □ - 02 | KP1 - □ - 03                |
|---------------------------|---------------------------------------------|--------------|-----------------------------|
| Connect Diagram           |                                             |              |                             |
| Characteristics           |                                             |              |                             |
| Output Method             | NPN open collector 30 V 80 mA               |              | PNP open collector 80 mA    |
| Hysteresis                | 1 ~ 10 % of setting pressure ( Adjustable ) |              | ≤ 3 % F.S. ( Fixed )        |
| Switch Output             | 1 Output                                    |              | 2 Outputs                   |
| Operation Indicating Lamp | Red LED turns on                            |              | Out1 = Red,<br>Out2 = Green |

# Additional Information

|                |                 |
|----------------|-----------------|
| EAN Code       | 8719426661246   |
| Artikelnummer  | KT-KP1-2-02-C-G |
| Output         | PNP             |
| Merk           | Kita            |
| Type ventiel   | Drukschakelaar  |
| Aansluiting    | 1/8" BSPP       |
| Max meetwaarde | 0-1 bar         |
| Normale stand  | PNP             |
| Spanning       | 12-24VDC        |
